

MOTION BY SUPERVISOR DON KNABE

August 4, 2015

On Saturday, September 13, 2014, shortly after midnight, Long Beach police officers responded to a hit and run traffic collision in the area of Spring Street and Karen Avenue. When officers arrived, they discovered the body of 20-year-old Daniel Gomez lying in the road motionless. It is believed that Gomez was the victim of a hit and run traffic collision. Paramedics took Gomez to a local hospital where he later died. Investigators believe Gomez was struck by a 2011-2014, Metallic Silver, Honda Fit identified by debris left at the scene.

Investigators have canvassed the neighborhood looking for witnesses to the incident and feel they are at a point where it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime. The witnesses can remain anonymous.

I, THEREFORE, MOVE that the Board of Supervisors extend the offer of a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
